

Libraries 1, 2, and 3 Report for the month of April 2021

Prepared by: SPM

Library 1 Manggahan

- This month Manggahan children love to read book of legend.
- Parents, big sisters/big brothers come in library 1 to help young ones who will enroll kindergarten (5 years old) this year to read and write.
- People in Manggahan are busy planting it is our main source of income especially in this time of pandemic.
- Thank you for giving as volunteer librarians work.

Angelica Nulial
Volunteer Librarian

Library 1

Reading story books to kindergarten this school year

Library 2 Magata

- Many students from elementary to high school are coming to library 2 to answer their modules. Dictionaries and books are very helpful to them.
- It is summer here now and most of people here are in the farm to plant some vegetables to sell and eat.
- I am happy as a librarian in Magata library 2 soon there will be a reconstruction. Ariagatou gozaimasu

Librarian

Library 2

Students answering their modules with the help of books in library

Library 3 Ratong

- Parents and children in Ratong are in the farm by this time, only few children come to library. It is hot summer and people here love to be in the river most of the time, fishing and planting.
- I hope for next few months library 3 will increase the attendance.

Annalyn M. Marquez

Librarian

Library 3

Love reading books in library 3 from Ratong children

Thank you
