FOR THE MONTH OF  
JULY 2021

Prepared by: SPM

# Library 1 Manggahan

To Saichare members,  
Hope you have a blessed day.  
Rainy season is a problem for  
Manggahan library with broken  
ceiling it caused the rain to comes  
inside and it becomes muddy, but  
I make sure to clean it and take  
good care of books. God bless you  
all!

To: Mrs. S. M. Kancho

Mapang Palang araw po sa inyo kamusta po kayo nitong tuon  
nang hulyo? naman nasa makati at malusog din po ang inyong  
pangangatawan. Sa ngayon po dito sa amon ay tagulan na  
kung kaya't ang atin pang library 1 ay mayroong  
Raining problema twing sasapit ang tagulan dahil po  
sa pumapasok sa loob ng library ang tubig at putik at  
may roon na din pang butas ang kesame kung kayat tumalaga  
po ang tubig sa loob ng library.

Sa harapan naman po ng library ay madulas tusing maun  
dahil sa putik pero natiyaga naman po itong bruch ng  
nagbabantay para maalis ang lumot at putik na nagpapadulas  
sa sahig kung kayat ang tanging pinoproblema lumang po talaga  
ay ang loob ng library na pinapasok ng tubig at putik.

At sa mga nagbabasa ng mga basta naman po ay wala  
naman pang problema nasa mayos naman po.

ito lamang po at maraming salamat and  
GOD BLESSED US ALL!!

Mahal na Tami Kaneko,

Kumusta kayo? At ang inyong  
kalusugan? At ganoon din ang Grupo ng  
Saichare? Kami naman dito ay mabuti,  
dito sa Amin ay laging maulan at malaki  
ang ilog; Pero maayos naman ang aming  
kalalagayan.

Ang Aklatan naman ay maayos pa din  
at may bulontarho pa din na patuloy na  
nagtutulong! Ang mga Bata ay gustong-  
gusto pa din ang Aklat, Kahit paulit-  
ulit na nilang binabasa; masaya pa  
din sila.

Lagi kami ditong nag-iingat!  
At sana ay kayo din; Sobrang malu-  
lungkot kami pag-nagkasalut kayo!!!

Lagi nyo ingatan ang katawan  
ninyo!!! Hanggang sa muling pagkikita!!!

# Library 2 Ratong

To Saichare members,  
How are you? This month of August Philippines is under MECQ and becomes strict again. Also rainy and typhoon season so it is expensive to ride on Banca going to Ratong Library, I spend 50 pesos in one ride. I hope my allowance will increase. Thank you very much.

# Ukay-ukay updates in Tanay care of Mariz

I sold some items in Tanay with the total of 5,290 pesos, (income only in Tanay town) I still have one left item waiting for payment if it was sold, I will give the income to Liza.

PS: Not all items in the packages were sold in Tanay, Liza brought some items to the mountain (Magata, Manggahan, Malibay) to sell there. So the items were divided.

We will update you the total income once Liza sold the items in the mountain. Thank you.

Mariz

1. Items sold in Tanay town (except with the laptop and hair clipper of Mr. Goda). **5,590 pesos total income from Tanay town.**

Liza will later send photos and updated income of items she sold in the mountain from recent packages.

3. She said her last income was **2,030 pesos** (this was from all items in packages before sold only in the mountain)

2. Mr. Goda's laptop has slight damage on the screen but still working. Abel and Joan (from Manggahan and Magata) who are currently college students studying in Tanay town are using it. Abel is a nursing student while Joan is taking up Education major in English. Last year they graduated from senior high school with honors, both of them lost their houses during the typhoon last year in mountain.

The hair clipper will be given to a Magata barber named Allan once Omon will be able to go to the mountain so that he can show how to use it, as of now he can't due to lockdown.

This is Joan and Abel who helped repacking goods from Saichare during typhoon.

4. Liza said if SPM will provide the allowance for Banca maybe soon SPM won't have money left. She also said, maybe you can increase allowance of the librarian volunteers because of high prices of commodities no one is willing to do volunteer work anymore.

Omon said if the river is high the Ratong library can be closed.

5. SPM request for next package will be Japanese-Tagalog dictionary cause children are interested in learning Japanese language.

Color paint and paint brush from Japan for Kamishibai making (Color paint and paint brush from Japan is better than from PH).
